SUBJECT INDEX

A

Adolescents, 1
  adolescent medicine in staff model HMOs and, 16
  pregnancy among, 224
AIDS: A Guide for the Primary Physician, 113
Ambulatory Pediatric Care, 226
Anorgasmia, 119
Antitrust, ethics and, 65

B

Bicycle helmets, reduction of head injury by, 228
Birth
  cesarean, 77, 104
  premature, 194, 199
  prenatal care and, 73
  teenage pregnancy and, 224
  vaginal, after cesarean section, 104
Bone mass, lumbar, in postmenopausal women, 31
Breast cancer screening, 75
Brief psychotherapy, child mental health and, 52
Britain, National Health Service in, 145

C

Cancer screening
  for breast cancer, 75
  colorectal carcinoma and, 130, 137, 169
Cesarean sections, 77
  vaginal birth after, 104
Childbirth in America: Anthropological Perspectives, 154
Child development, parental overinvolvement and, 2
Childhood injuries
  preventing, 47
  reduction by bicycle helmets, 228
  television and, 156
Child mental health, 52
Children with Asthma: A Manual for Parents, 33
Cimetidine, drug use evaluation and, 22
Circumcision, 191
Clinical Epidemiology: The Essentials, 154
Clinical Management of Alzheimer's Disease, 68
Clonidine, smoking cessation and, 31
Cocaine abuse, in pregnancy, 205
Colorectal cancer
  hospital use and, 130
  quality improvement cycle and detection of, 169
  screening for, 130, 137
Computer network, 75
Consent, informed, ethics and, 41
Consultation psychiatry, 60
Copper IUD, 31
Cost-effectiveness, drug use evaluation and, 22

D

Defensive medicine, high-risk neonatal care and, 210
Diagnostic test guidelines, physicians' responses to, 219
Disease prevention, 82
Drug database, drug use evaluation and, 22
Drug screening, pregnancy and, 205
Drug use evaluation, 22
Drug use review, 22
Dyspareunia, 119

E

Efficacy, 108
  health policy and, 28
Elderly, group psychotherapy with, 70
ENT service, jointly-operated, 216
Erectile dysfunction, 119
Ethics
  anticipatory decision-making and, 41
  antitrust and, 65
  financial incentives and, 65
  kickbacks and, 65
  primary care physician and, 39
Exercise
  Kegel, stress incontinence and, 126
  weight-bearing, in postmenopausal women, 31

F

Family psychotherapy, child mental health and, 52
Fecal occult blood testing, detection of colorectal cancer and, 169
Financial incentives, ethics and, 65
Financing, health policy and, 148
Flexible sigmoidoscopy
  colorectal carcinoma and, 130
  performed by nurse under supervision, 150
Flexible Sigmoidoscopy for Primary Care Physicians, 68

G

Group Health Association: Portrait of a Health Maintenance Organization, 112
Group psychotherpay, with elderly women, 70
Guidelines
  for diagnostic tests, physicians' responses to, 219
  health care standards in quality assurance and, 173

H

H_2 antagonists, drug use evaluation and, 22
Head injury, reduction by bicycle helmets, 228
Health education
  preventing childhood injuries and, 47
  quality assessment and, 98
Health evaluation, 82
Health habits, improvement in, 229
Health maintenance, 82
Health policy
  efficacy, appropriateness, and equity and, 28
  financing and, 148
Health promotion, 79, 82
  HMO as laboratory for, 89
  marketing and public relations and, 95
  quality assessment and, 98
HMO
  drug abuse in pregnancy and, 205
  high-risk neonatal care and, 210
  mental health, and children and, 52
  reduction of preterm birth in, 199
  research and, health promotion and, 89
  staff model, adolescent medicine in, 16
  staff model, quality management in, 164
Hospital privileges, of pediatricians, 228
Hospital use, colorectal carcinoma and, 130
How to Lower Your Cholesterol: A Simple Dietary Approach, 113
Hyperprolactinemia, 119
Hypogonadism, 119

I

Impotence, 119
Incontinence, stress, Kegel exercise training program and, 126
Independent practice association, quality assurance in, 183
Informed consent, ethics and, 41

Injury
prevention of, in children, 47
reduction by bicycle helmets, 228
television and, 156
Intrauterine device, Copper T 380, 31

K

Kaiser Permanente, medical education at, 38
Kegel exercise program, stress incontinence and, 126
Kickbacks, ethics and, 65

L

Labor
premature, 194, 199
vaginal birth after cesarean section and, 104
Lairson, Paul D., 188
Liaison psychiatry, 60
Living wills, ethics and, 41

M

MacColl, William A. "Sandy," 111
Malpractice, high-risk neonatal care and, 210
Managers, physicians as, 117
Marijuana smoking, in pregnancy, 205
Marketing, health promotion and, 95
Medical education, at Kaiser Permanente, 38
Medical-ENT service, jointly-operated, 216
Medical ethics
anticipatory decision-making and, 41
antitrust and, 65
financial incentives and, 65
kickbacks and, 65
primary care physician and, 39
Medicare/Medicaid Nursing Home Information, 189
Medicine, art of, 115
Mental health
of children, 52
consultation-liaison psychiatry and, 60
group psychotherapy with elderly women and, 70
Microcomputer, development and application of surgical database and, 9

N

National Health Service, 145
Neonatology, medical-legal concerns in, 210
Nocturnal penile tumescence, 119
Nurse(s), flexible sigmoidoscopy performed by, 150

O

Orchidopexy, 73

P

Pap smear, management of class II results and, 152
Parenting, overinvolvement and, 2
Patient education, quality assessment and, 98
Pediatricians, hospital privileges of, 228
Peer review, in quality assurance, 178
Penile tumescence, nocturnal, 119
Perspectives on Quality in American Health Care, 155
Physician(s)
hospital privileges of pediatricians and, 228
involvement in community leadership positions, 72
as managers, 117
primary care, medical ethics and, 39
responses to diagnostic test guidelines, 219
Physician evaluation, in independent practice association, 183
Physician performance management, 164
Postoperative complications, surgical database and, 9
Pregnancy
drug abuse in, 205
prenatal care and, 73
reduction of preterm birth and, 199
teenage, 199
Prematurity
extending term and, 194
reduction of, 199
Prenatal care, 73
Preventing Preterm Birth: A Parent's Guide, 227
Primary Care in the Home, 34
Primary care physician, medical ethics and, 39
Process algorithm, detection of colorectal cancer and, 169
Program evaluation, health promotion and patient education and, 98
Proxy decision-maker, ethics and, 41
Psychiatry, consultation-liaison, 60
Psychosomatic illness, consultation-liaison psychiatry and, 60
Psychotherapy
child mental health and, 52
group, with elderly women, 70
Public relations, health promotion and, 95

Q

Quality assessment, health promotion programs and, 98
Quality assurance
health care standards and, 173
in independent practice association, 183
peer review in, 178
in staff model HMO, 164
transition to quality improvement from, 161
Quality improvement, peer review in, 178
Quality improvement cycle, colorectal cancer detection and, 169
Quality management, in staff model HMO, 164

R

Ranitidine, drug use evaluation and, 22
Research, health promotion and, 89
Resource allocation decisions, 142

S

Saward, Ernest W., 188
Screening
for breast cancer, 75
for colorectal cancer, 137, 169
for drug abuse in pregnancy, 205
Sexual dysfunction, 119
Sexual hyperactivity, 119
Sexual hypoactivity, 119
Smoking cessation, clonidine and, 31
Staff model HMO
adolescent medicine in, 16
quality management in, 164
Standards, 72
quality assurance and, 173
Stress incontinence, Kegel exercise training program and, 126
Surgery
cesarean sections and, 77, 104
circumcision and, 191
orchidopexy and, 73
Surgical database, development and application of, 9
Surgical experience, surgical database and, 9

T

Target drug monitoring, 22
Television, childhood injury and, 156

Term, extending, prematurity and, 194
Trial of labor, vaginal birth after cesarean section and, 104

U

Urinary incontinence, Kegel exercise training program and, 126

V

Vaginal birth, after cesarean section, 104
Vaginismus, 119

W

Weight-bearing exercise, in postmenopausal women, 31
Wills, living, ethics and, 41
Women
  elderly, group psychotherapy with, 70
  postmenopausal, weight-bearing exercise in, 31
Writing, 158
